

## Carpentry Planing Machine ZH 205 Ec - USA

ref.no.: 925222

EAN: 4032689144955

### Technical data

Planing depth	0 - 3/16 Inch
Cutter head diameter	2 15/16 Inch
Nominal No. of strokes – no load	8500 1/min
Nominal power input	3.1 hp
Planing width	8 3/16 Inch
Weight	27.6 lbs
Universal motor	120 V

### Delivery specification

1 Single-end spanner 8 mm; Ref. No. 093258

## Examples for usage

---

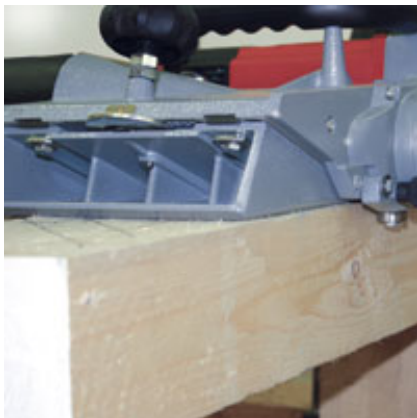

The immense chip volume is blown out with the aid of an enhanced air-flow with new rotating air duct.

The tool for replacing knives is mounted directly on the machine.

Supreme power for chip removal from 0 to 4 mm (0 - 3/16 in.).

With guide rollers - for maximum utilisation of the planing width.

## Applications

---

- ▶ Cutting width up to 208 mm
- ▶ Compatible materials include solid wood

## Advantages

---

- ▶ High quality standard means lower machine costs and longer service life.
- ▶ Practical lightweight, ergonomic handle ensures exemplary handling.
- ▶ With guide rollers - for maximum utilisation of the planing width.
- ▶ Disposable reversible knife system means no more time-consuming planing knife adjustment.

## Description

---

This one really eats its way through! With unique, stepless planing depth from 0 to 4 mm (0 - 3/16 in.)

The new chip ejector with excellent chip removal via enhanced air flow and new air duct makes blockages due to wet chips a thing of the past!

With its lightweight design, the solid cast construction weighs only 12.5 kg (27.6 lbs)

The MAFELL light current motor offers ample reserves, making planing a whole new experience.

As with most MAFELL machines, the intelligent control electronics keep watch in the background. For smooth start-up and constant speed under load, speed reduction to protect the machine without load and overload protection.

## Accessories / Tools

---

Knife support

1 pair for 091897, 091898

Clamping device

1 piece for 091897, 091898

Reducing socket ZH-RS

Reversible knives

1 pair, HL (ZH 205 Ec)

Reversible knives

3 pairs, HL (ZH 205 Ec)
